

THE DICTIONARY OF NATIONAL BIOGRAPHY

[Where a volume and page reference has been necessary it is given to the 1908-9 reissue of the D.N.B., because that is the version possessed by the institute, where fuller references than those printed here are in many cases entered on the card index. Occasionally, and especially when the correction may be a matter of opinion, or when the author is not working at the institute, the contribution is signed.]

The following corrections relate to persons described in the D.N.B. as fellows of the Royal Society: all but two have been contributed by Dr. W. Bulloch. The references to 'The Record of the Royal Society' are to the third edition, 1912.]
